Dear customer

We hereby inform you about our clarification concerning Sec. 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (conflict minerals).

These have shown that

- the metals tin and gold for the functionality of our products are necessary
- we do not make direct imports of these minerals.
- the products manufactured by us, based on information obtained from our supplier information within the meaning of Sec. 1502 of the Dodd-Frank Act are without conflicts ("conflict free"), i.e. do not originate from the DRC or an adjoining country.
- we rely on the information received from our suppliers and for this reason can not guarantee the accuracy of this information
